

ANNUAL REPORT 2019 - 20

Navnirman High English medium School, Ratnagiri as the torchbearers of education, we leave no stone unturned in providing an extraordinary learning experience to our students. The best of infrastructural facilities, high-tech labs, well-stocked library, well equipped activity rooms, vast playgrounds, cultural clubs, sports facilities, etc. - the prerequisites that make for a wonderful school life are available to all students of Navnirman.

Our team of highly experienced and dynamic teachers believes in imparting knowledge in the most innovative manner. Students and their well-being is central to us. Our academic pursuits, along with a range of extracurricular activities, help in honing a child's skills and ensuring that he/she grows to be a mature and responsible citizen.

The Annual Report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to creating an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

ACADEMICS

We hold various opportunities for the students to showcase their academic front in the form of elocution, debate, role plays etc. Our school has already sent their participation in the Science, Math and English Olympiad due to be held at the end of the year 2019. This itself is the biggest competition where a student competes to outshine others. It infuses a healthy competitive spirit through reward based assessment. Assemblies are organized from time to time with different innovative and informative ideas to lay emphasis on the academic importance. Such as National Mathematics day was observed on the 22nd of December 2018, National Science day on 28th February, Hindi Divas observed on 14th September 2019. These events help in inculcating moral values and facilitate teaching.

Our teaching methodologies incorporate a very innovative and dynamic approach. Activities are performed from time to time to stimulate the classroom teachings with the help of teaching aids such as smart boards, laboratories and interactive class discussions. These help us to be sanguine in the practical world.

SPORTS

We cast emphasis on physical development of the students as we strongly believe that, "A healthy mind dwells in a sound body." Hence we have plethora of gaming activities available for the students at any given point of time namely football, basketball, cricket, karate, skating, badminton, kho-kho, aerobics and table tennis etc. The school had organised an Interschool sports Competition 2019-20 where an array of events was organised for students where all students participated and the winners were facilitated.

PICNICS and Excursions:

The school has organized picnic programs for the students. The students of Pre-primary classes were taken to Gandharva Water Park, while the students of 3rd, 4th, 5th and 6th were taken to KSB water park (Ganpatipule). The students of class 7th, 8th and 9th were taken to Pratapgad Fort, Bhillari Village (visit to library), Venna Lake and Mapro Garden (Mahableshwar). This was the day when all the teacher and the students together collectively had all the fun.

To promote the competitive spirit and to bring out the talent of the students, they are encouraged to participate in various co-curricular activities. Competitions like Calligraphy, Drawing and Painting, Essay writing, singing, Recitation, Elocution, Dance, Fancy dress, Spell Bee, Mono action and mimicry, Dramatics, Diya painting etc. were conducted during the course of the year.

The school has many students who not only excel in academics but also in the area of Dance, Music, Theatre and art. A lot of them have already performed on stage to the outside world thus making an interesting career out of these areas.
